Founded in 1951, the Cedar Rapids Municipal Band performs 18 free concerts in Cedar Rapids parks during the summer months. Each week the band features a professional artist who solos with the band on both Wednesday and Sunday night concerts. Inaugurated during the 2011 Season, the CRMB sponsors a Young Artist Competition each year to encourage the development of outstanding high school musicians who plan to pursue a musical career. The winner of the competition will be the featured guest soloist during one week of the summer season and is given a financial award of \$250 in support of future music endeavors. More information about the Young Artist Competition can be found at www.crmuniband.org.
